

Forest Service, USDA

§215.3

other environmental documents related to it (40 CFR1508.13; FSH 1909.15, Chapter 40).

Forest Service line officer—A Forest Service official who serves in a direct line of command from the Chief and who has the delegated authority to make and execute decisions subject to this part.

Lead appellant—For appeals submitted with multiple names, or having multiple organizations listed, the appellant identified to represent all other appellants for the purposes of communication, written or otherwise, regarding the appeal. The use of the generic term “appellant” applies to lead appellant also.

Name—The first and last name of an individual or the name of an organization. An electronic username is insufficient for identification of an individual or organization.

National Forest System land—All lands, waters or interests therein administered by the Forest Service (§251.51).

Newspaper(s) of record—Those principal newspapers of general circulation annually identified in a list and published in the FEDERAL REGISTER by each Regional Forester to be used for publishing notices of projects and activities implementing land and resource management plans.

Projects and activities implementing a land and resource management plan—Site-specific projects and activities, including those for research, on National Forest System lands that are approved in a Decision Notice (DN) or Record of Decision (ROD) by a Forest Service official.

Proposed action—A proposal made by the Forest Service that is a project or activity implementing a land and resource management plan on National Forest System lands and is subject to the notice and comment provisions of this part.

Record of Decision (ROD)—A document signed by a Responsible Official recording a decision that was preceded by preparation of an environmental impact statement (40 CFR 1505.2; FSH 1909.15, Chapter 20).

Responsible Official—The Forest Service employee who has the delegated au-

thority to make and implement a decision subject to this part.

Substantive comments—Comments that are within the scope of the proposed action, are specific to the proposed action, have a direct relationship to the proposed action and include supporting reasons for the Responsible Official to consider.

Transmittal letter—The Responsible Official’s letter transmitting the decision documentation. The letter shall include only an index of the transmitted documents and identification of those portions of the record that relate to the issues raised.

§215.3 Proposed actions subject to legal notice and opportunity to comment.

The legal notice (§215.5) and opportunity to comment procedures (§215.6) apply only to:

(a) Proposed projects and activities implementing land and resource management plans (§215.2) for which an environmental assessment (EA) is prepared, except hazardous fuel reduction projects conducted under provisions of the Healthy Forests Restoration Act (HFRA), as set out at part 218, subpart A of this title.

(b) Proposed projects and activities described in a draft environmental impact statement (DEIS) for which notice and comment procedures are governed by 40 CFR parts 1500 through 1508, except hazardous fuel reduction projects conducted under provisions of the HFRA, as set out at part 218, subpart A, of this title.

(c) Proposed non-significant amendments to a land and resource management plan (pursuant to the 1982 planning regulations) that are included as part of a decision on a proposed action for which an EA is prepared;

(d) A proposed action resulting in a revision of an EA based on consideration of new information or changed circumstances (FSH 1909.15, Chapter 10, section 18) as provided for in §215.18(b)(1); and

(e) Proposed research activities to be conducted on National Forest System lands.
